CERTIFICATES

PERRY & DAVIS ENTERPRISE LLC

ABOUT US

Perry & Davis Enterprise LLC is a certified 8(a), Service-Disabled Veteran-Owned Small Business (SDVOSB) providing high-impact support services across multiple sectors. Operating through a family of affiliated entities, including Perry Enterprise Group LLC, Stars & Stripes Transportation LLC, and CenCO Health & Mgt Services LLC, we offer specialized capabilities that ensure service continuity and performance excellence.

Our approach combines executive-level leadership with scalable operations, supported by a trusted subcontractor network. This structure allows us to rapidly mobilize resources while maintaining quality and compliance. From federal facilities and logistics coordination to transportation and environmental services, Perry & Davis delivers responsive, mission-aligned solutions that meet the evolving needs of our clients.

CORE CAPABILITIES

Janitorial Services: Professional cleaning solutions for government and commercial facilities, meeting federal health, safety, and performance standards.

Landscaping & Grounds Maintenance: Full-service exterior maintenance, including mowing, trimming, seasonal cleanup, and snow removal.

Logistics Coordination: End-to-end logistics management including warehousing, distribution, and transport coordination tailored for federal operations.

Transportation Services: Safe and reliable transportation solutions, including specialized services for individuals with physical or mental disabilities.

IT Support Services: Help desk, systems maintenance, and network support services designed to keep agency systems secure and operational.

Remediation & Environmental Services: Emerging capabilities to support site remediation, waste removal, and environmental hazard mitigation.

General Construction & Elevator Services: Infrastructure and facility support services, including elevator maintenance, inspection readiness, and small construction projects.

Logistics: Comprehensive coordination of transportation, distribution, and supply chain activities to ensure timely and efficient delivery of goods and services for federal operations.

Warehousing: Secure storage solutions combined with facility maintenance services to support government inventory management, asset protection, and operational readiness.

IT & Cybersecurity: Technical support and cybersecurity services to maintain secure, compliant, and fully operational IT environments for federal agencies.

Safety: Environmental remediation and hazard mitigation services to promote health, safety, and regulatory compliance across government sites.

WHY CHOOSE US?

- Certified & Mission-Ready
- Multi-Sector Capabilities
- Veteran-Led, Executive-Driven
- Rapid Response & Scalable Delivery
- Federal-Focused Solutions
- Commitment to Quality & Accountability
